

SPIRAL SNAKE CRAFT INSTRUCTIONS

1. Paint a paper plate the colors of your choice.
2. Draw a spiral around the plate (like the one shown).
3. Cut along the spiral.
4. Draw or glue on eyes.
5. Glue on a pipe cleaner for a tongue.
6. Add on any other designs to make your snake original!
7. Use a hole punch to put a hole in the center of the snake (tip of the tail).
8. Thread a piece of string through the hole and hang it up!

CONNECT THE DOTS TO SEE THE REPTILE!

DID YOU KNOW that the state reptile of Illinois is the painted turtle? You can visit a live painted turtle and other reptiles at the Homer Lake Interpretive Center!

Join us there for our Remarkable Reptiles program on December 21 for an up-close experience. Call 217-896-2455 to register.
