FOREST PRESERVE DISTRICT ANNOUNCES DETOUR TO MIDDLE FORK RIVER FOREST PRESERVE

Due to bridge repair that has closed County Road 2700 E / Highway 22 in northeast Champaign County through October, people driving to the Middle Fork River Forest Preserve from the south will need to take a detour to reach the preserve and campground entrance. Instead of taking County Road 2700 E or Highway 22 north from U.S. Route 136, visitors will need to take County Road 2300 E, which is four miles to the west. They should then travel north to County Road 3500 N, and follow the signs.

In addition to detour signs along the route, directions and a map are printed on the Forest Preserve District's website at www.ccfpd.org. For more information, call (217) 595-5432 or e-mail camp@ccfpd.org.

The Champaign County Forest Preserve District provides conservation, education and recreation for the citizens of Champaign County and manages more than 3,800 acres of open space located at Lake of the Woods Forest Preserve, Mahomet; River Bend Forest Preserve, Mahomet; Homer Lake Forest Preserve, Homer; Middle Fork River Forest Preserve, Penfield; and Sangamon River Forest Preserve, Fisher.
