FOREST PRESERVE DISTRICT SEEKS VOLUNTEERS TO ASSIST WITH PROGRAMS

The Champaign County Forest Preserve District seeks volunteers to assist with a variety of public programs. From nature activities to historical experiences to plant and garden education, the District offers programs throughout the year for all ages and abilities. In addition to public programming, the District conducts school programs and summer day camps as well.

Volunteers are needed to assist with program activities, help with preparation and cleanup, lead activities and crafts, direct participants between locations, or help with evaluations. Programs take place at forest preserve locations throughout the county. Volunteers may pick from a list of activities and locations, with varying time commitments.

More information about programs and specific needs is available on the District's website at www.ccfpd.org or by calling Volunteer Coordinator Kim Horbas at (217) 493-7199.

The CCFPD provides conservation, education and recreation for the citizens of Champaign County and manages more than 3,800 acres of open space located at Lake of the Woods Forest Preserve, Mahomet; River Bend Forest Preserve, Mahomet; Homer Lake Forest Preserve, Homer; Middle Fork River Forest Preserve, Penfield; and Sangamon River Forest Preserve, Fisher.
