Roadwork at River Bend Forest Preserve to Cause Temporary Preserve Closure

At the end of May and beginning of June, contractors will be conducting trail, road, and parking lot work in River Bend Forest Preserve. From May 25th to May 28th, crews will be prepping paved surfaces. The parking lot and road will be open during this period, but please use extra caution during your visit. From May 26th to May 28th, the trail will be fully closed for resurfacing.

From June 1st to June 4th, the entire preserve will be closed to the public. As crews will be resurfacing the roads and parking lot, the preserve will be inaccessible. We hope to fully open the preserve by June 5th, but please keep watch for any updates on our website and social media in the event of work or weather delays. We look forward to the preserve receiving a much needed update and thank you all for your patience.
