

## *Honorary/Memorial Bench Program*

The bench that will be purchased is very similar to the ones pictured here. It will come with a 2" x 10" plaque affixed to the back panel as shown in the photo above. The plaque contains 4 lines with each line having a maximum of 56 characters, allowing for a mix of capital and small letters. A space counts as a character.

Please use the lines below to indicate the message you would like etched on the plaque. Remember that no line can exceed 56 characters, including spaces. Please print as clearly as you can.
